

JOIN US IN WARMING
THE HEARTS, PAWS AND NOSES
OF THE DOGS & CATS AT
ANIMAL WELFARE LEAGUE'S INTAKE FACILITY.

The Animal Welfare League Intake Facility is out of bedding items used by the animals for comfort and warmth.

Be Fido's Friend is out to do something about it!

From now until February 14, we will be collecting the following laundered items to be used by the animals during these cold months.

- Towels** any shape, color, or size - Imperfections welcome!
- Fleece** material, blankets, robes, pants, hats, scarves, hoodies, etc. - Stains add Character!
- Blankets** quilts, fleece, knit, woven, etc - Give a dog a blankie!
- Sweats** to be up-cycled into blankets and pads. All college/sports teams welcome!
- Newspaper** For the Kitties and Puppies!

Keep your New Year's Resolution to be more Green and help us reach our goal to collect 500 pounds of recycled bedding.
